I attach a draft settlement. I haven't received clearance from everyone, so it is subject to further comments and execution.

Please let me have your comments.

I should get to your security agreement and note later this week.

Harlan -- I am awaiting your comments on the settlement agreement. I guess Brian is waiting on the mark documents. Also, would you mind very much if I redrafted your security agreement and note. I would be happy to send it to you in word or wordperfect for your revisions.

Thanks.

FINAL COMMENTS

SETTLEMENT AGREEMENT

-At 2.b, individual/entity to whom Carlos assigns must execute a copy of Settlement Agreement and "acknowledge, accept and agree to terms";

-At 3.b., I" add "forever abandon cease and desist"; add Marcos to same effect. "

-At "new" paragraph at end of 3 & again at 4, add, inter alia, that the obligations of the Plaintiff, Carlos, and Marcos pursuant to [a-e, in the case of para 3] and [a in the case of para 4] shall be enforceable by the non-breaching party by ex parte injunctive relief, with no showing of irreparable harm, with the full force and effect of a consent injunction".

-At 4, and upon failure to make any payment, restrictions as in 3 b, c, d, e

-At 9 (b) Cyber release effective immediately. "Editorial": The "obligation" to come up with the First payment is solely in your control. If it makes it palatable I will deliver assignments to you to be held pending wire of First payment, but Cyber gets release now.

SECURITY AGREEMENT

I need my 4, 5 and 6. (New Trademarks, Covenants and Power of attorney)
